SAM K

UI/UX DESIGNER | WEB DESIGNER | GRAPHIC DESIGNER

SUMMARY

I'm a seasoned design professional with over 5 years of experience in Web Design, Graphic Design, and UI/UX. I specialize in crafting cohesive brand identities and designing impactful user interfaces. With strong expertise in UI/UX design, I manage front-end tasks, convert designs into responsive websites using WordPress and builders, and collaborate seamlessly with developers. Additionally, I'm skilled in creating HTML email templates and landing pages, consistently delivering results.

EXPERIENCE

Freelance

10/2024 - Present

Freelance UI/UX & Graphic Designer

- Design and develop user-friendly website layouts and interfaces that align with client branding and business goals.
- Create high-fidelity prototypes and wireframes to visualize UX flows and enhance usability.
- Convert my designs into websites, ensuring precise implementation and full responsiveness.
- Conduct user research and usability testing to refine designs and improve accessibility.

OneCrate

04/2020 - 09/2024

Web Designer

- Designed responsive and user-friendly web pages, ensuring seamless experiences across devices.
- Developed wireframes, mockups, and prototypes to communicate design ideas and UX improvements.
- Worked closely with developers to bridge the gap between design and functionality, ensuring pixel-perfect implementation.
- Led the visual design of landing pages, dashboards, and interactive elements to enhance user engagement.
- Optimized UI/UX elements based on user feedback, A/B testing, and industry best practices.

Trust20

02/2019 - 03/2020

Designer

- Designed and refined web and mobile interfaces, prioritizing usability, accessibility, and modern aesthetics.
- Developed branding elements, including logos, typography, and color palettes, to establish a strong visual identity.
- Created marketing materials such as social media graphics, email templates, and promotional assets to enhance brand outreach.
- Collaborated with cross-functional teams to align design solutions with business goals and user needs.
- Conducted user research and applied insights to optimize UI/UX for improved engagement and conversions.
